### ***Destroying the Temple of God (Commentary)***

Are you not aware that you are a **temple of God** and the spirit of God is making its home in you? (1 Corinthians 3:16 CLV)

Or are you not aware that your body is a **temple of the holy spirit** in you, which you have from God, and you are not your own? (1 Corinthians 6:19 CLV)

And what agreement does a **temple of God** have with idols? For you are a **temple of the living God**, even as God said, “I will” dwell in them and “walk among them, and I will be their God, and they shall be My people.” Lev. 26:12; Ezek. 37:27 (2 Corinthians 6:16 LITV)

Consequently, then, no longer are you guests and sojourners, but are fellow-citizens of the saints and belong to God’s family, being built on the foundation of the apostles and prophets, the capstone of the corner being Christ Jesus Himself, in Whom the entire building, being connected together, is growing into a **holy temple in the Lord:**” in Whom you, also, are being built together for **God’s dwelling place, in spirit.**” (Ephesians 2:19-22 CLV)

If anyone habitually spoils, ruins, wrecks, corrupts, or destroys **God’s temple**, God will spoil, ruin, wreck and corrupt this person; for the **temple of God** is holy (set-apart), which **temple you are** (1 Corinthians 3:17 compilation)

No one should be deluding you by any method, for, should not the apostasy be coming first and the man of lawlessness be unveiled, the son of destruction, who is opposing and lifting himself up over everyone termed a god or an object of veneration, so that he is seated in the **temple of God**, demonstrating that he himself is God? (2 Thessalonians 2:3-4 CLV)

It should be obvious that all of the above verses have one thing in common—the temple of God. The reason for writing about this on this particular day is what came to me around 3 am this morning and then what came to my wife, independently of me, about two hours later.

Before discussing this, however, a brief word is necessary regarding the temple in scripture. Up until 70 AD, the temple of God was the centerpiece of the Mosaic era as the symbol of heaven coming to earth, that is, of God dwelling among His people. In essence, the **Holy of Holies represented heaven** (i.e., God's realm) where very few were ever allowed to enter, and then only once a year. Each year, on the **Day of Atonement**, only the high priest was allowed to enter the most-holy inner chamber. It was a time to make an animal sacrifice for the sins of the people of Israel. This was done year after year because the blood of bulls and goats could not take away the sins of the people forever (Hebrews 10:2-4).

Of course, the earthly construct and use of the temple, along with its mighty symbolism, stood as a type of a new temple that God would bring about through the Lord Jesus, our great High Priest who took away the sin of the world forever when He died on the cross and rose from the grave. Consequently, there is no need for a building of stone for God's temple and no need for animal sacrifices year after year. The cross did away with this and the empty tomb inaugurated a new temple, which is Christ's body. What the Jews of that day did not realize was that Herod's temple was no longer the temple of God on earth. As Jesus walked among His people, He stood as the temple of God, that is, heaven on earth. They entirely missed the glory of His Presence. In answer to His detractors, Jesus said: ***Destroy this temple*** (meaning His body), ***and in three days I will raise it up*** (John 2:19). Near the end of His earthly ministry, Jesus also prophesied that the physical temple in Jerusalem would be razed to the ground, thus removing all doubt that God (or: heaven on earth) would no longer be housed in a single building of stone (Matthew 22:7; 24:1-2) but in a multitude of ***living stones***. As Paul emphasized, the people of God are now the temple of God on earth. In other words, *the* Christ is the temple—His body of believers possessing His spirit (holy spirit) within them is the temple of God, meaning a measure of heaven resides in the body of Christ, Christ's complement (Ephesians 1:23). We who believe are being built up as a temple in the Lord, a dwelling of God in spirit. For this reason, Paul declares: ***You are the temple of God!***

Obviously, much more could be said along these lines, but this is enough of a foundation for what follows. Actually, none of this is new; what is new is that it has been brought into much sharper focus, especially given the present hour. It was impressed in my spirit that the dark powers, both the seen and the unseen, are attempting to literally destroy not only what it means to be human but also the physical body itself. These dark powers are out to destroy what God has created to be in His image. What Elohim created to be the highest expression of Himself on earth, these dark powers are set on destroying. In their evil, perverted minds, destroying what God created to express Himself on earth will expel the very Creator from the earth. Of course, this is insanely absurd. In their vacuity, they believe that, in banishing the Creator from the earth, they can take His place and be gods of this earth—they can take their seat in the temple and infest whatever subhuman entities they create (or: the shell of humanity that remains) with their darkness, void of any light.

These dark forces have been plotting this destruction for quite some time. The evidence can be seen from the destruction of the family (biological mothers or fathers no longer needed; a village will do), to the twisted logic of abortions (women's rights for reproductive health or "humane" infanticide is justified), to the *neuterization* of biological differences (no more male or female distinctions), to cloning, to transhumanism, to a biological-digital cyborg existence run by AI, and the list goes on to include anything that is contrary to God's creative design and divine order.

What is new to this list is what is staring all of us in the face at this moment—the **covid pandemic of fear that seeks to destroy or alter the human race, both psychologically and physically, through face masks, social isolation, and genetic-based injections. Masks and social isolation have been proven not to work, and now the risks of the experimental injections are being shown to outweigh the advertised benefits.**

Actually, the only thing that has worked, and worked quite well, is the instilling of fear and panic in the general population that drives them to mask up, socially isolate, and be injected with something that is not free from serious adverse reactions, even death, and has no data on long-term health effects. It's like the human race has idolatrously rubbed a rabbit's foot or knocked on wood with a "hope and a prayer" it all turns out for the good. So far, it appears these idols are failing, just like they did in ancient days of idol worship.

Here's the point: in the night, what came into sharp focus is that what is being thrust on the human race is part of the plan of the dark forces, not to save humans but to destroy what it means to be humans created in the image of Elohim. Depopulation is one facet of the agenda, but just as nefariously a part of it is the well-advertised drive to transform humans into something other than human called *transhuman* (going beyond human, with *transgender* as a forerunner).

Unfortunately, Christians (only the Lord knows how many) have not been exempt from fear fueled by lies. In particular, the pastors who have publicly declared that the deceptively-called *vaccines* are a gift from God need to answer one question: ***Why would God give a gift that has led to the death of thousands and caused adverse reactions in the hundreds of thousands, just in the US and EU alone?*** It seems this so-called *gift* is like asking for bread and getting a stone, or asking for a fish and getting a snake.

***If you then, being evil, know how to give good gifts to your children, how much more will your Father who is in heaven give what is good to those who ask Him!*** (Matthew 7:11).

Through a growing number of metrics, the potential dangers of these experimental gene agents are being revealed. Has God lost His way and given His children a gift that, at best,

is a mixed bag of good and bad and, at worst, might be shown to be all bad—a dire warning some leading virologists, scientists, and MDs have been crying from the rooftops?

A few days from now, on September 16, the Jews will be honoring the *Day of Atonement*, a solemn time of reflection, repentance, fasting, and prayer. Perhaps, this should be a day for Christians to do likewise, especially the pastors who have made the covid injections a gift from God. In addition, given the US medical system is in crisis, Christian MDs need to ask the Lord to search their hearts, as well, revealing their complicity, if any, in this drive to destroy the human race. Denial of the facts staring one in the face, or neglect in searching for the truth, or fear of losing one's license or job, rather than standing up for righteousness is no excuse. A whole lot of repentance might be coming very soon.

Now, to conclude with the word that came to my wife as she stood on our outside patio around 5 am today. In the silence of the morning, with the only sound being crickets or tree frogs and no moon or stars (due to cloud coverage), the words of Habakkuk came to her.

But the LORD is in **His holy temple**. Let all the earth be silent before Him (i.e., in His Presence). (Habakkuk 2:20) [See: [Let All the Earth Be Silent](#)]

Silent night, all is calm!

It is time to wake up to the reality that, as the body of Christ, we are the set-apart, holy temple of God on earth. Just as the material earth is commanded to be silent, so is the earthly nature within us believers to be silent. Why? Because, as His temple, those of us who have the faith of the Son of God are in the continual Presence of our beloved Lord Jesus. Think about it—we are in His Presence now. If our hearts were fully captivated by this truth, we would be a changed people, instantly. And, the earth and the kosmos of man would be silent—that is, speechless as they behold the manifestation of the sons of God going forth throughout the earth in the power and anointing of their Head—Jesus, the Anointed Ones.

The good news is that no matter what the dark forces and powers try to do to destroy the human race, they will ultimately fail. Guaranteed! Jesus has been raised up victoriously with an [Indestructible LIFE](#), and we have been brought into this life, awaiting the day of transformation into conformity with the body of His glory by the exertion of His power.

Today, the world is immersed in darkness, but soon a new day will dawn when the many sons of God will be brought to glory, shining forth like the sun in the Kingdom of their Father and of their Lord and King. The new day will vanquish all darkness as righteousness becomes like an ever-flowing stream of living water.
