Truth — Emeth = 21 x 21 (Revelation)

The Hebrew alphabet of 22 letters reveals something quite fascinating. Reading Hebrew from right to left, the first and the last letters are *aleph* and *tau*, respectively. Looking at the alphabet laid out on one line without spacing the letters equally (some letters take up less space than others), optically the letter *mem* sits roughly in the middle of the 22 letters, even though it is not numerically exactly the middle letter.

Aleph, mem, tau spells the Hebrew word ***emeth*** [Strong H571], which is generally translated as ***truth***.

Like the Greek language, the Hebrew language also assigns a numeric value to each letter. In this case, *aleph* = 1, *mem* = 40, and *tau* = 400; added together, totals to 441. When broken down to its prime numbers, it is a factor of 3 x 7 x 7 x 3 (or, arranged as 3 x 3 x 7 x 7). The prime number **3** signifies ***divine perfection*** or ***completeness***, and the prime number **7** signifies ***spiritual perfection***. The clear message is that there is perfect truth that rises above all other truths. It is divine and spiritual! But there is more...

Multiplying 3 x 7 yields the number 21, making **441 a factor of 21 x 21**. I suggest that, in the positive sense, **the number 21, appearing as a double witness, signifies God's truth**.

I know; some might think I'm obsessed with the number 21. Perhaps I am. This is not the first time I've written on the [Number 21](#), but I've not done so based on the word *truth*. This is a first (by revelation), coming at a critical point in history. [The window of God's Appointed Time has opened](#), and the number 21, as truth, is like a neon sign telling us a truth. As stressed many times, we are in a **21-year period** that concludes in the **year 2021** of the **21st century**. It also must be noted that **September 21, 2021** is the first day of *Tabernacles (Booths)* and, from a worldly standpoint, *International World Peace Day*. Borrowing from an old tune, there's a whole lot of 21s going on. This is not a coincidence, but rather, it is God's message to the world. His appointed time is about the truth, and the signs are pointing to 2021 for the truth to be revealed. We have entered the spirit of 21!

Biblically, there is one truth that stands out among all truths and, in fact, sums up and heads up all truth. Jesus says: *"I am the Way and **the Truth** and the Life. No one is coming to the Father except through Me"* (John 14:6). Another word for truth is *reality*. [Jesus is the Reality!](#) The one who is perfect Truth is about to be revealed. In a world shrouded in

unreality and shadows, it is God's appointed time for the human race to meet the one who not only is reality but also explains and expresses it. But there's more...

Again, *emeth* numerically totals to 441. Multiplying $4 \times 4 \times 1 = 16$, and the **number 16** signifies **love**. Or, multiplying the numeric values $400 \times 40 \times 1$ of the Hebrew letters making up the word *emeth* yields 16,000, which is an intensified expression of love, a thousand times over. And, let's not forget that the number 16 is a factor of $8 + 8$. Eight signifies *new birth, new beginnings, new creation*. Love is the source and origin of everything new! And, this is the truth, for God the Creator is love.

Jesus, the Truth, is the Son of God's love, and we who believe have been ***rescued out of the domain of darkness and transferred into the Kingdom of the Son of God's love.***

Dear saints, with all that is going on in the world and that is yet to come that might test the faith of many, let's not forget Paul's encouraging words when faced with tribulation, distress, persecution, famine, nakedness, peril, or sword: ***In all these things, we overwhelmingly conquer (are triumphantly victorious) through Him who loved us*** (Romans 8:37). When and where did He reveal His love for us? On the cross!

Consider the elders Simeon and Hannah (Anna) who knew the appointed time in which they lived. They were looking for the arrival of the King of Israel. Simeon was promised by the holy spirit that he would not see death until he gazed upon the face of the Lord's Messiah, and he did as he took the child in his arms and beheld the face of God's glory.

Simeon had the holy spirit upon him. However, we who believe have the holy spirit, which is the spirit of truth, within us. **We know the Truth** (1 John 2:21). John called it the *Anointing*. Have we awakened to how glorious it is to have the *Anointing* residing within us and what it means to live by this *Anointing*? Many have fallen asleep to this great truth and do not live according to it. It is time to wake up! It is time to remember our genesis. God's alarm clock is about to ring, and those who are longing for and loving the appearing of the Lord will rise up as rivers of living water according to this *Anointing*. It won't be long! A **great awakening** is coming in the midst of great turmoil and confusion.

We are living in an appointed time, a time of visitation. Only this appointed time is of even greater significance, for the Son of Glory will come through the Door of His Father's realm to reveal Himself to those who have longed for and waited patiently for His arrival. In a double entendre sort of way, He is the Door between heaven and earth and He is coming through Himself as the Door. Are you expectantly waiting for the love of your life to reveal Himself? The Door has been opened, and King Jesus is **standing** and ready to come through God's portal to openly manifest the Kingdom of the Heavens, the Kingdom of Love and Peace, on earth. Praise God!
