

Your message burns in my heart and bones, and I cannot keep silent.

(Jeremiah 20:9)

Signposts of the Coming Kingdom

What follows was first posted in 2014 and simply titled *Update*. I was drawn to this post this morning as I was meditating on the events of our day. The point that I want to emphasize is that *prophetic insights*, as I call them, are ***signposts*** or ***markers***.

For the few who follow my web site, you might be bored with some of the repetition, but, as you probably realize, people discover web sites a variety of ways. Given the sound-bite nature of our day, this might be the only thing someone might read from my site, or it might be the one thing that attracts them to search for more. The Lord knows! So, please bear with me.

Here is the original posting (edited with 2019 inserts).

At times I feel restrained to write, a restraint I believe is from the spirit of God. However, the Lord has not been silent with me, for I have heard and seen many things, many on the personal front but also several on the global front that tie in with the news of the day. Things that I have seen in dreams or vision or heard in word years ago are coming to light exactly one, two, three or more years later; some have literally occurred on the very same day.

Some of these are documented under the *prophetic* tab of my web site. There are many more than what is posted. Frankly, I grew tired of people saying: *Why are you telling us these things? What can we do with them?* To some degree, I agree with these questions. However, perhaps, the best way to view them is with this question: *What do they mean given the day in which we live over 2,000 years from the birth of Jesus?*

Well, here is the answer that the spirit of the Lord gave me: ***They are markers, like signposts along the road, indicating the kingdom of our Lord and of His Christ. King Jesus is coming soon.*** A signpost is really nothing in itself; it is simply an indicator of direction or where one is headed. It is like any sign posted in the public arena, especially along roadways. In this case, the signposts point to the greatest and most glorious event the modern world will ever witness.

The signposts I am given are in answer to the word given to me on February 27, 1995, during a time of relative peace and prosperity in our country: ***When the structures crumble, testify of My kingdom.*** As we have entered the 21st century, it has become obvious as the years have progressed that the structures of our society, culture, government, and finances have been crumbling. By the way, the number **21** can signify ***distress***. The **Stone Kingdom** of our Lord is striking at the heart of the modern-day beast-system of man. THIS IS GOOD NEWS!!

Heaven rules, and this rule is coming to this earth as our present age ends and the kingdom of the Son of God's love begins to openly manifest in this earth until the knowledge of the glory of the Lord fills the whole earth as the waters cover the sea (Habakkuk 2:14). Don't dwell on the negatives but rejoice in the glory that is about to be revealed. King Jesus and His kingdom are coming!

We must go through these times, often manifesting as trials and tribulations (both corporately and individually), for this is our way into the kingdom. As Paul wrote: ***Through many tribulations (afflictions, sufferings, persecutions) we must enter the kingdom of God*** (Acts 14:22).

Here are some of the markers I have been shown—some of which I have reported on previously; some of which, Lord willing, I might elaborate on in forthcoming writings.

2019 Insert: All of the following occurred during the second cycle of the three 7-year cycles that I have proposed elsewhere. See: *21-Year Cycle* — <https://www.kingdomandglory.com/prophetic/p21.pdf>

On March 11, 2008, I dreamed of the ***Titanic sinking*** and then, as if scrolling across a screen, I saw ***the year 1917 and then the word (month) May***. Exactly six months later, the world found itself in the greatest financial crisis of our time that has not been resolved to this day. (1917 and May continue to be open for interpretation.)

On February 22, 2009, I dreamed of a ***FedEx plane flying through the air and then tumbling end-over-end as it crashed to the ground***. One month later, on March 22, 2009, a FedEx cargo plane crashed and tumbled down the runway in Tokyo, Japan. It was actually reported that it ***had tumbled down the runway***. At the time, I stated that the economies or commerce of Japan and the US were intertwined and something might occur in the future that hits both countries. Nearly two years later, on March 11, 2011, ***Japan experienced one of the largest recorded earthquakes in history with a devastating tsunami that led to the meltdown of one or more of its nuclear reactors***. Just as importantly, on March 22, 2011, exactly two years from the FedEx plane crash, Japan experienced three more major quakes, one a magnitude 6.6, and it was reported that water was boiling in one of the nuclear reactors. This was 11 days from the first quake of the 11th in the 11th year of the 21st century; the number ***11*** signifies ***disorder, disintegration***. Truly, the nuclear reactor had disintegrated. Initially, the potential impact of this incident was downplayed until it leaked out that in fact a meltdown had occurred. Today, using the International Nuclear Event Scale (INES), the Fukushima accident is now classified as a maximum Level 7 disaster (up from Level 4). As a side note, the dream of the Titanic sinking occurred on March 11, the same date as the Japan quake/tsunami/meltdown three years later.

On September 10, 2009, I heard: ***Tea party fails; Obama rules***. Three years later I found myself in an intercessory prayer meeting focused on the 2012 presidential election. The "prophetic" tone of the meeting was that Romney was going to win and some were declaring scripture to make the point. As I sat there listening, the spirit of the Lord gave me this word once again. Well, the rest is history. Shortly after, some declared the tea party was over. Interestingly, my attention was caught by an article posted on the web January 15, 2014 that was titled ***Obama Announces Plan to RULE by Executive Order***.

On June 29, 2010, I was in prayer and inquiring of the Lord about our government and a vision came to me of the ***US Supreme Court building in DC disconnected from its foundation and floating down a river with the right side of the building listing in the water as if it were sinking***. Later that day, I realized that hearings were being held to place Elena Kagan on the Supreme Court bench. Interestingly, the word ***kagan*** can refer to an imperial rank of ***ruler*** or ***king***. Exactly two years later, on June 28, 2012, the Supreme Court with Judge Roberts, the supposedly right-leaning judge, in the lead ruled the ***Patient Protection and Affordable Care Act*** (aka ***Obamacare***) constitutional because

the penalty for not having insurance was actually a tax. Some would argue that the left side of the court won and the right side lost (as in *sank in the water*).

2019 Insert: No reflection on justice Kagan, but has the American judicial system been *kaganized*—that is, has the entire system become so corrupt and partial (favoring some over others) that it rules over the people rather than administers true justice for all? Have we entered a **period of lawlessness**, not only in America but globally? Consider what is happening in the US House of Representatives today as certain members act like judge and jury of Donald Trump.

On April 25, 2013, I heard: ***Tyranny is coming***. Shortly after that and continuing with greater intensity to the present, alternate news media began reporting that tyranny had come upon us from our governments. By the way, a tyrant is one who is a usurper, a usurper of power and authority. The world system that we see today is a usurper, a counterfeit to the kingdom of God.

2019 Insert: An interesting phenomenon has begun in which those who first warned of tyranny are now themselves being accused of tyranny just for raising the concern. It is an attempt to silence voices that disagree with what is happening in our nation—a concept that is totally contrary to the guarantees of the Bill of Rights (First Amendment). America, it is time to wake up! As for us Christians, remember that ***blessed are the peacemakers for they shall be called the sons of God***. Our voice must be that of the spirit of the Lord speaking through us, just as in the days of the first apostles. May it be: ***For it is not you who speaks, but the spirit of your Father speaking through you*** (Matthew 10:20).

On March 8 and April 29, 2013, I dreamed of ***the Russian army invading some land***. I saw ***submarines*** involved in the conflict. Exactly one year later, during March 2014, Russian flags were flying over Crimea, the naval port for Russia's Black Sea Fleet. Today, the Ukraine conflict is one of the big news stories.

2019 Insert: It is rather curious how the Ukraine keeps coming into the news. Most probably have forgotten that it was big news in 2014. In 2016, with the election of Donald Trump, the Ukraine surfaced once again. And now, in 2019, it is in the forefront as the Democrats try to remove Donald Trump from office. There must be a hidden agenda behind the relationship of the US with the Ukraine; something nefarious that the powers-to-be (some would call the *deep state*), going back many years, do not want to come to the light of day. One guess is that it has to do with waging an unnecessary war against Russia.

On July 26, 2013, I heard a word about the coming of ***one of the worst disasters in aviation history***. Exactly one year later, on July 24, 2014, the news reported that ***multiple air disasters make for one of aviation's worst weeks***. As reported: ***Aviation has suffered one of its worst weeks in memory, a cluster of disasters spanning three continents***. [Source: Associated Press]

On March 4, 2014, I heard: ***Life for all of you is about to change dramatically. Keep your eyes on Me and I will see you through to the end***.

2019 Insert: *Be not thou afraid of sudden dread, nor of the desolation of the lawless, when it cometh. For, Yahweh, will be in all thy ways, and will keep thy foot from the snare.* (Proverbs 3:25-26 Rotherham [bold added]).

On August 13, 2014, I heard: ***Deep darkness is coming***, and then six days later on the 18th, I heard: ***Deep darkness is descending on the nations today***. On September 2-3, 2014, the news from more than one outlet reported: ***World in chaos***. This all goes along with the word the Lord gave me for this year going forward: ***Tumult is coming***. Well, tumult is here! By the way, it was 21 (distress) days from the time I heard of deep darkness until the news media began reporting on chaos. Tumult, deep darkness, and chaos are all interrelated.

Again, these are only a small sample of the markers I have been shown. I don't want to end on a negative note, so I conclude with a word the Lord gave me on April 14, 2014. I simply asked the Father for a word about the four **blood moons**; the first came on April 14 and the second will appear on October 8, 2014. His response was simple yet profound: ***I LOVE YOU!*** Think about it! The blood moons are bookends of **Passover**, the first work of Christ to save the world (all mankind) from sin and death, and **Tabernacles**, the second work of Christ to establish His kingdom on earth through His conquerors (overcomers) when He comes to resurrect and transform/transfigure the sons of God giving them spirit-animated, immortal bodies just like Jesus' body.

2019 Conclusion

Apart from Calvary and the empty tomb (greatest events of all time), the next greatest event is the resurrection and transformation/transfiguration of the Lord's beloved body of believers as they (we) manifest as the **new creation**.

So that, if anyone is in Christ, there is ***a new creation!*** the old things, have passed away,—Lo! they have become new! (2 Corinthians 5:17 Rotherham [bold italic added])

This is what we became when the spirit of the Lord broke into our lives and we were given the faith of Jesus to believe on Him and the good news. The very heart of the good news is new creation. Jesus came out of the tomb as the new creation, and we who believe have been brought into Him in the same glorious capacity. ***Behold, I make all things new!*** We are of the all new! We don't see it in its fullness as we continue to occupy mortal bodies, but the day is fast approaching when our earthen vessels will give way to a new physicality in the image of the Son of God, as we enter our full status as sons of God.

Yet not only so, but we ourselves also, who have the firstfruit of the spirit, we ourselves also, are groaning in ourselves, ***awaiting the sonship [adoption], the deliverance [redemption] of our body.*** (Romans 8:23 CLV [bold italic added; other renderings])

Dear brethren, this is what the signposts are pointing to. Let us not fear trials or tribulations or lawlessness, but let us rejoice that we are of the generation that will see the Lord. By the way, it is in the loving hands of our Lord Jesus which company we, as individuals, will be in when He comes—those "asleep in Jesus" or those "alive and remain."

At Jesus' first arrival, John the Baptist proclaimed: ***Behold the Lamb of God!***

Today, on the cusp of Jesus' second arrival, we proclaim: ***Behold King Jesus! He comes in glory!***
